

**WORLDWIDE FISTULA FUND**  
HEALING WOMEN, RESTORING LIVES

## **BACKGROUND**

### **ORGANIZATIONAL INFORMATION**

Founded in 1995, the Worldwide Fistula Fund (WFF) is a non-profit 501(c)(3) organization that provides surgical care, social reintegration and physical rehabilitation for African women suffering from obstetric fistula. The WFF also supports clinical research and medical training regarding obstetrical trauma in the developing world. More information can be found on its website,

[WorldwideFistulaFund.org](http://WorldwideFistulaFund.org).

### **HEADQUARTERS**

The Worldwide Fistula Fund is located in St. Louis, Missouri.

### **SUPPORT STAFF**

The Worldwide Fistula Fund leverages the skills of a rotating team of surgeons in Niger and a small support staff in Africa and the United States.

### **LEADERSHIP**

The Worldwide Fistula Fund's management team consists of its President, L.Lewis Wall, MD, DPhil, and its Medical Director, Steven D. Arrowsmith MD.
