

Suggestions for International Day to End Obstetric Fistula

Help us spread the word on May 23rd!

- Share the images and content below
- Tag @Worldwidefistulafund and use the hashtag #IDEOF25 and #ShelsUs in your posts
- Amplify our posts on WFF social media accounts to share with your audience

Today is International Day to End Obstetric Fistula. I stand with women who are facing this devastating, but treatable, childbirth injury. Help me to raise awareness and learn more by checking out @worldwidefistulafund and the great work of their partners in Africa. #IDEOF #EndFistula #ShelsUs

Today, I'm joining the @UnitedNations, @Worldwidefistulafund and the global community to recognize the International Day to End Obstetric Fistula, dedicated to raising awareness and taking action to support women who suffer from this devastating childbirth injury. #IDEOF25 #EndFistula #ShelsUs
